About our School

Welcome to Brighton College Prep Kensington, a happy and vibrant school for boys and girls aged 2 to 13.

As a part of the award-winning Brighton College family of schools, Brighton College Prep Kensington nurtures a culture of kindness, where the personal happiness of children is our priority.

Brighton College Prep Kensington is a member of the Brighton College family of schools. This means both our children and staff benefit from the world-renowned experience and resources of Brighton College, The Sunday Times award-winning 'School of the Decade'.

Founded in 1845, Brighton College is one of the country's leading schools, regularly achieving the top academic results of any co-educational school in the UK. Beyond outstanding academic success, the school is known for its focus on kindness and community

engagement. Brighton College has won numerous international awards, and the Brighton College family of schools includes four schools in the UK, three in the UAE, one in Singapore, one in Thailand, and soon to be seven in Vietnam.

Brighton College Prep Kensington is a beautiful and friendly environment with bright and spacious classrooms. Pupils enjoy access to play areas, a state-of-the-art science lab, two art studios, a beautiful music room and our multi-purpose and bold Makerspace. We also make use of our two-acre Secret Garden, set

directly behind school. This access to outdoor space means that we are able to run a Forest School programme, emphasising outdoor learning and the importance of environmental responsibility. Come rain or shine, the outdoors is an integral part of daily life at Brighton College Prep Kensington. Children enjoy fun, hands-on, practical experiences as a part of the curriculum throughout the year.

We are located in the heart of Kensington, across four spacious Grade-II listed Victorian townhouses, which have been

designed to a bespoke educational standard. Our proximity to museums and world-class sporting facilities, mean that trips to Hyde Park, the Natural History Museum and the V&A are part of daily life.

Brighton College Prep Kensington is a happy school and staff and pupils feel fulfilled, with a forward-thinking curriculum, an innovative approach to education, and an emphasis on kindness.

We hope that you will want to come and join the fantastic group of professionals who work here.

1

UNITED KINGDOM SCHOOL OF THE DECADE

2

INNOVATION

In our state-of-the-art Makerspace, pupils use green-screen technology and 3D printing to craft and construct. It is a creative space where pupils bring their ideas to life and develop skills such as communication, collaboration and advanced problem solving.

3

LONDON IS OUR CLASSROOM

With the Natural History Museum, the V&A, the Science Museum and many more museums and galleries on our doorstep, we have access to the very best educational and cultural highlights as part of our daily school life.

6

RANDOM ACTS OF KINDNESS

Kindness is the currency at Brighton College Prep Kensington. At the start of term, the Head hands out colourful wristbands which remind pupils to be helpful and generous-spirited each and every day.

7

STORY OF OUR LAND

As part of their curriculum, our pupils learn about Britain from the beginning of time, spanning history, geography, philosophy, politics and religion. This course allows pupils to develop a coherent narrative of how the past has shaped the country we live in today.

8

OUR SUPER CURRICULUM

The SUPER Curriculum is an academic enrichment programme for Years 7 and 8 and prepares our pupils for the next stage of their education. It incorporates practical, skills-based learning, including personal finances, online safety, study skills, public speaking and team building.

4

OUR BESPOKE DOOR-TO-DOOR BUS SERVICE

In keeping with Brighton College's commitment to the environment, we encourage our families to walk, cycle or scoot to school and we run a bespoke door-to-door bus service available from Year 1, complete with chaperone, for drop-off and pick-up.

5

WORLD-CLASS SPORTS FACILITIES

Our Kensington location means that we can make the most of the amazing sporting facilities we have on our doorstep. Year 3 and above have weekly swimming lessons at Imperial College next door and we regularly visit Hyde Park for sport lessons.

SOCIAL ENTREPRENEURSHIP

Pupils are encouraged to give back to the community they live in; from visiting local senior citizens, to running an eco-warriors project in our Forest School, we nurture outward-looking children. We also open eyes to the world beyond London, involving our children and teachers in global charities.

10

BEYOND BRIGHTON

With a huge range of activities from mindfulness, cookery, dance, debating, public speaking, school magazine, disco yoga and presentation skills, our pupils are offered a wide and varied programme of opportunities to build a skill set to be used long after they leave Prep School.
