Prep School Teacher

April 2025

Information for applicants

Welcome to Hydesville Tower School

Hydesville Tower School opened its doors in 1952 with 22 pupils on roll and has since grown to over 320, and has become known as the leading independent co-education day school in Walsall, delivering first-class education for children aged from 3 to 16 years.

Situated within walking distance of the bustling Walsall town centre, and with excellent transport links to nearby Birmingham and Wolverhampton, the school offers a range of facilities, combining tradition with modern.

A purpose built outdoor classroom is perfect for exploring and learning outdoors. As children progress into Prep and then through to Senior School, our classrooms cater for all subjects, including science laboratories, our library (the Hydesville Hive), and the School Hall, which also operates as a fully functioning theatre and performance area.

We have direct, secure access from the playground into the magnificent 35-acre Walsall Arboretum which we use for outdoor learning, cross country, sports days, picnics and more. Our 500m² multi-use sports pitch enables during and after school sports training and fixtures and our Nursery and Lower Prep playgrounds have recently been resurfaced and replaced with brightly coloured play areas, complete with games markings and built with a soft artificial grass material to ensure children can play safely.

In addition, we have wireless coverage throughout the school, which means mobile devices can be used in any classroom to support any subject area, allowing for a fully integrated and cross-curricular approach to ICT.

Working with us

Our small class sizes, individual learning and outstanding pastoral support helps pupils to exceed expectations in their academic endeavours whilst our extra-curricular activities help develop well rounded individuals, equipped to excel in today's world.

Academic results are consistently high at Hydesville. Year on year, a high proportion of Year 6 pupils progress onto Grammar Schools and our hugely successful GCSE results are typically the best in the borough among all non-selective schools. At the end of year 11 pupils leave us, typically to pursue their post 16 education at a local Grammar School.

Beyond the classroom, pupils participate in a range of sporting, performance and extra-curricular activities, and are also encouraged to engage in adventure and charitable causes, including the Hydesville Challenge and the Duke of Edinburgh Award. The School is an active member of the Independent Schools Association.

This is an exciting time to join Hydesville Tower School; the leadership team are committed to continuing to increase the School's profile locally. Pupil numbers have grown. The school is recognised as one of the leading independent schools in the Midlands' and was ranked in the top 20 small independent schools without a sixth form.
