

Secondary Technology and Digitalisation (Secondary School and Baccalaureate)

Location: Liceo Sorolla

Function: School Classroom Teaching

COGNITA

What you'll be doing

Role purpose

The job holder is responsible for promoting and safeguarding the welfare of children and young people for whom they are responsible or with whom they come into contact. They must adhere to, and ensure compliance with, the relevant Cognita Safeguarding and Child Protection Policies and Procedures at all times.

If, in the course of carrying out their duties, the job holder identifies any instance where a child is suffering, or is likely to suffer, significant harm either at school or at home, they must report their concerns immediately to the School's Child Protection and Wellbeing Coordinator (CPC), the Principal, or the Regional CEO, as appropriate, so that a referral can be made to the relevant external agencies.

Key responsibilities

General Responsibilities

To understand, uphold, and promote the school's aims, principles, and objectives:

- To fulfil contractual requirements.
- To be accountable to their line manager, as shown in the Liceo Sorolla Academic Leadership and Management Organigram.
- To keep abreast of educational developments, both in their subject area and in teaching and learning, and to make recommendations to their line manager.
- To fully understand, promote, and implement Liceo Sorolla and Cognita safeguarding policies and procedures.
- To support other teachers and support staff within their departments, year groups, and key stages in carrying out their job responsibilities.
- To play an active role in departmental, key stage, and whole-school policymaking where appropriate.
- To establish and maintain high standards of professional performance.
- To understand and fulfil all responsibilities in accordance with whole-school academic and organisational policies.

Specific Responsibilities

- Deliver engaging and rigorous Technology and Digitalisation lessons to students across Secondary and Baccalaureate.
- Prepare students thoroughly for examinations, incorporating practical work, theoretical understanding, and application-based learning.
- Support interdisciplinary initiatives and help foster a strong culture of innovation, problem-solving, and digital literacy across the school.
- Collaborate with colleagues within the department and across other subject areas to promote STEAM projects and academic excellence.
- Maintain high standards of classroom management, academic challenge, and student wellbeing.
- Make effective use of specialist facilities, equipment, and digital resources to deliver engaging and hands-on learning experiences.

Contribute to the development of the department's curriculum, schemes of work, and assessment strategies.

Safeguarding Responsibilities

- To comply with safeguarding policies, procedures and code of conduct.
- To demonstrate a personal commitment to safeguarding and student/colleague wellbeing.
- To ensure that any safeguarding concerns or incidents are reported appropriately in line with policy.
- To engage in safeguarding training when required.

What you'll bring

Essential	Desirable
Skills • Strong subject knowledge, with the ability to communicate complex scientific theories effectively to students of all abilities. • Excellent classroom management skills, with the ability to foster a positive and inclusive learning environment. • Effective use of data to monitor progress, inform teaching, and support student success.	
Experience • Experience teaching Technology, Digitalisation, Engineering, Science, or a related subject. • Strong pedagogical knowledge and a passion for subject-based enrichment. • Excellent communication skills and the ability to engage and motivate students of all abilities.	Experience
Qualifications • A relevant degree in Engineering or a related science subject. • Qualified Teacher Status (QTS) or an equivalent teaching qualification.	
Other • A passion for education and a commitment to inspiring students to achieve their full potential. • Strong interpersonal and communication skills, with the ability to build positive relationships with students, colleagues, and parents.	Other

- A reflective practitioner who is open to feedback and committed to continuous professional development.
- Organised, proactive, and adaptable, with a positive attitude towards working in a diverse and international environment.
- A team player who is willing to contribute to the wider life of the school, including extracurricular activities and enrichment opportunities.
- A commitment to safeguarding and promoting the welfare of all students, with a strong understanding of safeguarding policies, procedures, and best practice.

Key Stakeholders you'll be working with

- **Internal:** SLT, teachers, parents and students, pupil support services, relevant staff with cross school responsibilities, relevant non-teaching staff.
- **External:** School community, Wider Cognita teaching network.
