Discover purpose, create change at The British School of Barcelona (BSB)

Welcome to our school

Founded in 1958, originally as the Anglo-American School, The British School of Barcelona (BSB) has a rich history of delivering a truly holistic education. The school has grown from the original site in Castelldefels and now includes:

- BSB Castelldefels (ages 3-18)
- BSB Sitges (ages 2-11)
- BSB City (ages 3-18)

We now educate over 2234 students from 74 nationalities, and we are continuing to grow. It is a dynamic, forward-looking school with a wonderful cultural mix where we look to innovate but also retain high quality care for the individual that has always been a feature of the BSB.

BSB City was opened fully in September 2023 (with the Esperança campus opened in September 2021) and the Head of Primary, supported by a deputy, oversees two sites:

Esperança (Nursery to Year 1)

Lucà (Year 2 to year 6). This is also where the Secondary and Pre-University part of the school is (from Year 7 to Year 13)

BSB Maresme – Opening September 2026

BSB Maresme will open in Cabrera de Mar as the newest campus of The British School of Barcelona, welcoming children aged 3–11 from September 2026 and expanding to Secondary from 2027. The school is set on a stunning 16,500 m² site with sea views, purpose-built to inspire learning and community.

Our Mission

‘Enabling students to thrive in, and contribute positively to, a rapidly evolving world’

We aim to ensure students at BSB:

- Have a positive experience and really enjoy their learning.
- Make excellent academic progress.
- Develop the skills and personal attributes they need to succeed in life.
- Share a global mindset.

In order to achieve these aims, we need to ensure a positive culture, high quality teaching and learning, outstanding care for the individual and an excellent range of opportunities outside the classroom. All underpinned by a superb team of motivated staff.

The great advantage of being a large school with multiple sites is that we can share best practice between staff to ensure the best possible experience for the students.
