

## Brief for the appointment of Teacher of Physics

In partnership with

**COGNITA**

# DISCOVER PURPOSE, CREATE CHANGE

Cognita has entered into a partnership with Alleyn's to create two leading independent day schools in north London.

Alleyn's is south London's finest coeducational day school, consistently placed within the top London schools for academic achievement and winner of the Independent Coeducational School of the Year Award 2025. Cognita's flagship London schools, North Bridge House Regent's Park and North Bridge House

Hampstead, form part of the new Alleyn's Schools Group. Alleyn's Regent's Park opened in September 2025 and Alleyn's Hampstead is opening in September 2026.

A new Junior School will open in Hampstead in 2026, creating a through school for children aged 2–18, with Nursery, Junior, Senior and Sixth Form sections.

 We're excited to see how you'll help shape the future at Cognita. Good luck with your application – we can't wait to see what you'll bring.

Thank you very much for your interest in the role of Teacher of Physics, here at Alleyn's Hampstead. I am delighted that you are considering it and I hope to give you a sense of us and why an Alleyn's School is such a wonderful place to work! Our ROCCK values (Respect, Opportunity, Curiosity, Courage, Kindness) will also indicate what we are seeking to achieve here.

So, why Alleyn's? Alleyn's is part of a historic foundation which has been educating young people for more than 400 years. Our namesake and founder, Edward Alleyn, was one of the great Elizabethan players, and playful and academic exploration and discovery is something we very much welcome at our schools. Here, as well as acting, Edward Alleyn was also a philanthropist. His school was established to change the lives of children –initially “12 poor scholars”. It is rather wonderful that the original 12 has grown into the large, thriving community of the Alleyn's Schools' Group with more than two thousand children across north and south London, reflecting the Founder's vision. Alleyn's has been honouring the founder's legacy, as one of this country's leading co-educational schools, for generations and we are delighted that you are interested in joining this group.

Along with our history and heritage, we are also very proud of our future-facing outlook, both in our innovative and dynamic curriculum (we have devised exciting AI focused courses which all our pupils study) and in our facilities and in our approach to the adventure of teaching in and learning in and beyond the classroom. I very much want to tell you about our pupils too. They are engaging, grounded, passionate and interesting young people, who throw themselves wholeheartedly into the life of the school and they are a real pleasure to work with. The really lovely staff/pupil relationships here are critical and they underpin all we do.

I do hope that you will be able to get a sense of energy and fun at the heart of our schools during this recruitment process. The informality, the warmth and the unpretentious approach at Alleyn's really is infectious and I hope you will feel it, as I did, the moment you walk through the doors. There is nothing entitled, stuffy or pompous about our schools. And we really hope that you enjoy discovering that for yourselves, during this recruitment process.

May I wish you the very best of luck?

Warm regards,  
**Mrs Jane Lunnon**  
Head, Alleyn's

# 'ALL WE CAN BE' AT ALLEYN'S HAMPSTEAD

## WELCOME TO OUR SCHOOL

At Alleyn's Hampstead, we will have three age-appropriate campuses. Two Nursery and Junior School campuses, one dedicated to children aged 2 to 6 years, one for children aged 6 to 11 and a Senior campus educating 11-18 year olds.

All campuses have embarked on a transformational development programme as they become part of the Alleyn's Schools Group. Remodelling and refurbishment of existing facilities, together with a comprehensive building plan will not only enhance the teaching and learning environments but will provide first-rate facilities and position Alleyn's as a leading provider in the north London market.

## OUR VISION

This is a remarkable time to join one of our outstanding schools. The world-class Alleyn's educational proposition, together with an investment plan to create a first-rate teaching and learning environment, positions Alleyn's Hampstead as one of London's leading co-educational day schools. Alleyn's vision, "All We Can Be," champions the ideal that every member of the community should have the opportunity to discover and develop their unique talents.

There are seven core elements to an Alleyn's education:

1. AiQ "Alleyn's Intelligence Quotient" – Academic
2. AEQ "Alleyn's Emotional Quotient" – Pastoral
3. All In Co-Curricular & Partnership – Academic
4. Aspiring Minds – Scholarship
5. Events Programme – The key markers of our school year, and opportunities for collaboration.
6. Thought Leadership – Alleyn's leading the debate and challenging the status quo.
7. Physical Environment – The marginal gain approach to educational design & smart schools.

## ALLEYN'S VALUES

We recognise wonderful academic results are a by-product of an outstanding values-driven education, an education which aims to:

- Promote respect, well-being and diversity in a caring community where every individual can flourish;
- Develop curiosity, wonder, creativity and a love of learning;
- Inspire ambition and intellectual rigour through excellent teaching and learning;
- Cultivate discovery and opportunity through an outstanding co-curriculum;
- Foster awareness, leadership and connection through partnership and enterprise;
- Cherish the wide Alleyn's family and honouring our historic commitment to Edward Alleyn's charitable foundation.

# WHAT YOU'LL BE DOING

### ROLE PURPOSE

To teach Physics at Key Stage 4 and Key Stage 5, and to deliver general Science across Key Stage 3, providing engaging, challenging and inspiring lessons that develop students' understanding of physics concepts and scientific principles. You will support the personal development and pastoral care of students within a tutor group and contribute to the wider life of the school through enrichment activities, trips and co-curricular engagement.

As the school enters an exciting new partnership with Alleyn's School Dulwich, this role offers the opportunity to be part of a period of dynamic development and cross-school collaboration in science education.

### KEY RESPONSIBILITIES

- Teach Physics up to KS5, delivering outstanding lessons that challenge and inspire students of all abilities.
- Take responsibility for promoting, coordinating and participating in scientific activities, enrichment events and off-site trips throughout the school year.
- Be a Form Tutor, offering pastoral support and guidance to a group of students.
- Plan lessons and schemes of work both independently and collaboratively, addressing the needs of individuals and wider cohorts.
- Record, report and communicate students' progress and attainment to pupils, parents/guardians and colleagues.

### WHAT YOU WILL BE DOING

- Teach Physics at Key Stages 4 and 5, and Science at Key Stage 3.
- Plan engaging and differentiated lessons that make scientific study accessible for a range of abilities and learning needs.
- Develop and deliver schemes of work both independently and collaboratively with colleagues.
- Contribute to departmental plans, policies, curriculum documents and risk assessments in liaison with the Science Department and Senior Leadership Team.
- Participate in extra-curricular activities, House competitions, enrichment initiatives and themed weeks.
- Promote, coordinate and participate in Physics and Science activities and off-site trips throughout the school year.
- Lead or support school trips, including overseas visits and local day trips, to enhance student learning.
- Be a Form Tutor, offering pastoral support, guidance and monitoring to a group of students.
- Record and report on the development, progress and attainment of all pupils.
- Communicate with parents/guardians in a positive and professional manner regarding student progress and attainment.
- Use assessment data to ensure individual pupils have targets that challenge and stretch their abilities.
- Adapt teaching to incorporate technology effectively in the classroom and laboratory.
- Provide exam coaching and support to students preparing for GCSE and A-Level examinations.

## ROLE OVERVIEW > WHAT YOU'LL BE DOING

- Contribute to the school's enrichment programme and co-curricular activities.

### **SAFEGUARDING RESPONSIBILITIES**

- To comply with safeguarding policies, procedures and code of conduct.
- To demonstrate a personal commitment to safeguarding and student/colleague wellbeing.
- To ensure that any safeguarding concerns or incidents are reported appropriately in line with policy.
- To engage in safeguarding training when required.
